Bringing Joy, Connection, and Memories Through Music

Bear & Robert are award-winning singer-songwriters Cindy Bear and François Robert (pronounced 'ro-bear'), an acoustic Folk, Blues, and Americana duo. For nearly 12 years they've been bringing residents together through familiar favorites, heartfelt originals, storytelling, humor, and audience participation. With acoustic and resonator guitars, expressive harmonica, banjo, and rich vocal harmonies, every performance is designed to spark smiles, memories, and meaningful connection.
